The Story Behind GYUMON Wagyu Burger

Real Wagyu.
Real Burger.
Made for Everyone.

HOW THIS BURGER WAS BORN

After serving halal Wagyu ramen, yakiniku, and steak to travelers from around the world, we asked ourselves :

“What if we created a burger using the same premium Wagyu we proudly serve every day?

Not fast food.
Not an ordinary burger.
A real Wagyu experience
in burger form.

Executive Chef KAZU
GYUMON GROUP

SMASH-GRILLED TO PERFECTION

We smash our patties on a searing hot griddle. This creates a caramelized crust, locks in the juices, and brings out the rich flavor of Wagyu.

OUR WAGYU COMMITMENT

THE SAME WAGYU WE SERVE FOR YAKINIKU & STEAK

Our patties are made using the same premium A5 Wagyu we serve in our halal yakiniku and steak dishes.

Even the small diced pieces mixed into the patty are made from the same Wagyu used for steak.

We never compromise on quality.
You get the real deal in every bite.

WHY IT TASTES DIFFERENT

PREMIUM A5
JAPANESE WAGYU

The same Wagyu
we serve for
yakiniku & steak.

SMASH-GRILLED
FOR MAX FLAVOR

Pressed and grilled
on a hot griddle to
lock in juiciness and
create crispy edges.

SMALL DICE OF
WAGYU STEAK MEAT

Finely diced steak
meat mixed into
the patty for rich
texture and flavor.
